## **To receive a flu shot you must:**

- Meet a minimum age requirement.\*
- Not have a history of severe allergic reactions (e.g., anaphylaxis) to egg proteins, any vaccine components or life-threatening reactions to a previous influenza vaccination.
- Not be exhibiting symptoms other than mild coughing, runny nose and/or diarrhea.
- Not have a history of Guillain-Barré syndrome.
- Meet any CDC eligibility requirements on the date of service.

## **The following may be contraindication; the nurse will discuss with you prior to vaccination.**

- A severe, life-threatening reaction to latex.
- An allergy to Thimerisol (used as a preservative in vaccines) and/or gelatin (used as a stabilizer in vaccines).

\* If under 18 years of age, please see management.
